

NORTHERN TRIBUNE.

Entered at the Postoffice at Cheboygan Mich., as Second-Class Matter.

THURSDAY, MAY 8, 1884.

THE CITY.

John Reid left Friday, for Owasso and Detroit.

Logs are running in the river about every day.

Crane's shoe shop took a fresh coat of paint Friday last.

The bar attached to the Spencer House was closed May 1st.

Sam B. Sinclair, of Detroit, was at the Grand Central Sunday.

What has become of the Cheboygan county pioneer society?

Coe Rittner and Harry Spencer, of Detroit, Sundayed at the Spencer.

Roller rink at St. Ignace is about to be closed for lack of patronage.

Humphrey and Perkins will move back in their new office this week.

The water main was tapped last Saturday to supply the Farmer House.

Captain J. W. Bennett, of Mackinaw, was among the excursionists Sunday.

The lead pipe used for a telephone cable in the river was taken out Saturday.

Fishing for perch in the river is fine sport and magnificent strings are being caught daily.

Commercial drummers report trade improving and say their orders are largely increased.

There is a change in A. W. Westgate & Sons' advertisement this week. It is of interest to all. Read it and see.

The large mill at Duncan City started up last Monday, and is running nicely turning out lumber in large quantities.

Postmaster Humphrey says the box rent at the postoffice for this quarter exceeds by several dollars that of any previous quarter.

Benton Lodge, No. 108 A. O. U. W. is having a steady growth in membership, new members being received every lodge meeting.

The tax land sale, for this county, Monday, drew quite a large crowd, almost filling the court room. The consequence quite a lively trade in land.

Capt. Bundy of the Gospel ship, arrived in the village Monday. He goes from here to Buffalo, and will then return here and fit out his vessel and start out on his missionary work for the season.

Wm. Hess is to put a new top on the smoke stack of the propeller Champlain. Those interested in the steamer claim that they can get a better job done by Mr. Hess, and cheaper they can elsewhere.

We would call attention to an article, elsewhere in this issue, taken from the Northwestern Lumberman, showing the magnitude of the work W. & A. McArthur, of Cheboygan, are engaged in at St. Paul, Minnesota.

The proprietors of the Franklin house, east side are now Spooner & St Germain, the latter having purchased a half interest. The new firm propose making the Franklin a pleasant and comfortable home for their patrons.

The Supreme court adjourned Wednesday of last week without rendering a decision in the Baker-McArthur dock suit. They also failed to render a decision on the new tax law in a case carried up to test the validity of the law.

A brother of H. L. Koehler, of the Koehler house, Mullet lake, is keeper of the territorial prison at Yankton, Dak. He was formerly employed at the Detroit house of correction and stood high with the management of that institution.

The businessmen and hackmen with their teams, wait patiently at Smith & Bakers dock the most of the day Tuesday, for the Atlantic to put in her appearance. They thought she was outside and was unable to find the harbor, on account of the dense fog.

The band boys have not done much practicing lately, for lack of a room to practice in. They put in a petition to the Council Thursday evening asking privilege of using some one of the rooms in the Town Hall. The use of Fire men's hall was granted and they propose putting a few evenings a week in practicing.

The efforts of the longshoremen union to control the work of loading and unloading vessels, have not proven very successful so far, but the members are entitled to credit for one thing, they have strictly attended to their own business and have created no disturbance with the non-union men, who so far have been successful. As might have been expected, there has been considerable talk, but no direct interference with work.

Melville Brothers purchased H. J. Miner's safe and removed it Friday to their store.

Barge Fame came in our harbor last Thursday, and laid here several days trying to procure a load.

Miss Georgia Spencer has organized a music class at Mackinaw City and visits there twice each week.

Mrs. T. T. Van Arsdale who has been suffering from inflammatory rheumatism, we are glad to say is much better.

Quite a number of soldiers from Fort Mackinaw visited Cheboygan last Sunday, among the excursionists on the Mary.

Lou. Veeder graces the Metropolitan as a partner, and will welcome his many friends in his usual good natured manner.

A young lad fell from a beam in W. & A. McArthur's coal shed, last week, and broke one of his arms. Drs. Ferrin set the broken limb.

A person who has not taken a walk around Cheboygan would be surprised at the amount of building that is going on in all parts of the village.

The great Bankrupt Slaughter sale of clothing, at the request of the people will be continued until the 15th. Don't wait until everything is gone.

S. R. Snow finished the smallest harness ever manufactured in this county. It was for Charles R. Smith's Shetland pony, and is as neat as could be made.

The name of the postoffice at Mackinac has been changed to Mackinac Island. The St. Ignace Republican says, Dr. Jno. R. Bailey is entitled to credit of the change.

Smolk's express team became frightened at the depot, last Thursday evening and ran away. They ran down Main street to the dock, turned around and were caught near their barn, doing no damage.

Newton, Ellis & Co. brought a lighter load—between fifty and sixty tons, of hemlock extract last week and put it on Smith & Baker's dock ready for shipment. The champion took twenty five barrels to Milwaukee.

The west side wants to look out or the east side will get ahead in building matters. Already some of the finest residences in the village have been erected on the east side and a large number of new residences are being put up this season.

The roller skating rink continues to grow in popularity with the amusement loving public. Old and young, alike, enjoy the sport. Messrs. Hughes & Buehler have shown themselves to be gentlemen and are conducting the rink in first class style and are unsparing in their efforts to make the amusement enjoyable to all.

W. S. Humphrey's horses, Mollie Harris and Wm. T., will probably commence their season at Lansing races, which take place the week previous to the Kal-amazoo races. Both nags are in excellent condition, show up well, and they may both be expected to make a favorable record the coming season, should they meet with no accident.

Thomas Sutton has received official notice from the Patent office at Washington that a patent has been allowed on his propeller shafting and bearings, and the opinion is expressed that it is considered one of the most valuable inventions that has been patented for years. During the past twenty five years there has been no attempt made to improve propellers in this respect. While great attention has been made to improve the wheel, Mr. Sutton's is the first effort at improving the working of the shaft. A meeting will soon be held by those interested in this patent and an effort made to get capitalists interested in the matter and to make arrangements to exhibit the merits of the invention. The patentee has great faith in the invention and also in Cheboygan as a place for manufacturing and distributing it.

To Farmers.

Land Plaster by the ton, for bagat W. & A. McArthur's dock.

A Startling Discovery.

Mr. Wm. Johnson of Huron, Dak., writes that his wife had been troubled with acute Bronchitis for many years, and that all remedies tried gave no permanent relief until he procured a bottle of Dr. King's new discovery for Consumption, Coughs, and Colds, which had a magical effect, and produced a permanent cure. It is guaranteed to cure all Diseases of the Throat, Lungs, or Bronchial Tubes.

Trial bottles free at L. S. Cooper's Drug store. Large size \$1.00.

An End to Bone Scraping.

Edward Shepherd of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. I have had a running sore on my leg for eight years. Doctors told me I would have the bone scraped or leg amputated. I used instead, three bottles of Electric Bitters and seven boxes of Bucklen's Arnica, Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c. per box by L. S. Cooper.

H. McDonald, I. E. DeGowin, Judge Sutton, Robert Robinson, Mrs. H. R. Smith, and others too numerous to mention. My visits are once in three months. The next about June 1st. Agents wanted. Address Byron, Kent, Co., Mich., Box 102.

Why they Call Him "Old Man." "Yes, that's sadly so," said Jenkins, my hair is turning gray and falling out before its time. Use something? I would, but most hair restorers are dangerous. "True," answered his friend, "but Parker's Hair Balsam is as harmless as it is effective. I've tried it and know. Give the Balsam a show and the boys will soon stop calling you 'Old Man Jenkins.'" It never fails to restore the original color to gray or faded hair. Richoy perfumed, an elegant dressing.

Dress Making.

Miss May Hill wishes to inform the ladies of Cheboygan that she is now prepared to do dressmaking and general sewing, either by the day or at her residence on Water street.
